

## Flash Deal 17 – 19 July 2018

First 150 **\*Successful Applicants** will receive a **BOSE Soundlink Revolve Bluetooth Speaker for FREE!**

### BOSE Soundlink Revolve x 1 unit

Meet SoundLink Revolve, one of the best performing portable *Bluetooth* speakers yet. It delivers true 360° sound for consistent, uniform coverage. Place it in the centre of the room and everyone gets the same experience. Or set it near a wall and sound will radiate and reflect around the room, immersing you. Taking it outdoors? Great, it's meant to go where you go.

Don't let its size fool you. This pint sized enclosure is packed with more technology than meets the eye. A highly efficient transducer. Dual-passive radiators. An omnidirectional acoustic deflector. All of which simply means you'll get lifelike sound... and real-life goosebumps.

You're not afraid of a little water. Your speaker shouldn't be either. SoundLink Revolve's water-resistant design means that you can use it in more places without worrying, like at the pool or by the kitchen sink.

A portable *Bluetooth* speaker needs impressive battery life. This one delivers. The rechargeable lithium-ion battery plays up to 12 hours: for full-day listening. Sure, some other speakers may play longer, but not without compromising the deep, powerful bass you'll get from ours.

Don't have your phone handy? Don't worry. You can still make dinner reservations or send a text message. Just press and hold the multi-function button to access the voice input for Siri and Google Now™ right from the speaker. Problem solved.
